UF/IFAS Evidence-Based Turf Management Short Course - PEST MANAGEMENT

January 31 – February 1, 2017 | 7:45 a.m. – 5:00 p.m.
UF/IFAS Ft. Lauderdale Research and Education Center
3205 College Avenue • Ft. Lauderdale, FL 33314
turfschoolpests.eventbrite.com
Registration: $500

OBJECTIVE
To provide in-depth, evidence-based education on turf weed, insect, disease, and nematode management through lecture, field observations, and laboratory demonstrations.

AGENDA

Day 1 – January 31, 2017
7:45 a.m. Introductions
8:00 a.m. Weeds - Dr. Ramon Leon
9:30 a.m. Break
9:45 a.m. Weed Laboratory Demonstrations - Dr. Ramon Leon
11:15 a.m. Lunch on site
12:00 p.m. Insects - Dr. Adam Dale
1:30 p.m. Break
1:45 p.m. Insect Laboratory Demonstrations - Dr. Adam Dale
3:15 p.m. Break
3:30 p.m. Resistance Management - Drs. Leon, Dale, Harmon, and Crow

Day 2 – February 1, 2017
8:00 a.m. Diseases – Dr. Phil Harmon
9:30 a.m. Break
9:45 a.m. Disease Laboratory Demonstrations - Dr. Phil Harmon
11:15 a.m. Lunch on site
12:00 p.m. Nematodes - Dr. Billy Crow
1:30 p.m. Break
1:45 p.m. Nematode Laboratory Demonstrations - Dr. Billy Crow
3:15 p.m. Break
3:30 p.m. Pesticide Selection Best Management Practices – Dr. J. Bryan Unruh
4:30 p.m. Evaluation and Wrap Up
