The City of Coral Springs is committed to the concept of EEO as a fundamental element of the City's employment principles. Notice is hereby given to eligible veterans and spouses of totally and permanently disabled veterans or spouses of Missing in Action persons that preference in employment, if claimed by applicants, will be given. All applicants, including employees who are being considered for promotional and transfer positions, may be required to undergo drug testing. Failure to undergo or pass a drug test in accordance with the minimum standards as detailed in Section 440.101, Florida Statute, will eliminate your application from further consideration for any position. If you become employed, you may be required to submit to drug testing, including reasonable suspicion and post-accident drug testing. Your refusal to take a requested drug test or failure to pass will result in termination of employment. The City of Coral Springs offers a smoke and drug-free environment.
