

Research Laboratory Aide

We are currently accepting applications for a full-time, professional horticulturist to join the team at the UConn/EEB Plant Growth Facilities. Incumbent will be the primary grower for the tropical collections. <http://florawww.eeb.uconn.edu/>

Position Summary: The Department of Ecology and Evolutionary Biology seeks a full-time Research Laboratory Aide (UCP 1) to serve under the general direction of the Plant Growth Facilities Manager. The successful candidate will provide support to the teaching and research greenhouse program as a tropical collections horticulturist. The incumbent will be responsible for the daily horticultural care and management of greenhouse specimens as well as maintenance of the physical facility.

To Apply: Interested applicants should apply online using Husky Hire. Applications should include a cover letter, resume and three letters of recommendation. Employment of the successful candidate is contingent upon the successful completion of a pre-employment criminal background check. (Search # 2015475)
