

NURMASTINI SUFINA BUJANG

Ph.D. candidate in Entomology
Department of Entomology and Nematology
Ft. Lauderdale Research and Education Center
University of Florida
3205 College Ave.
Ft. Lauderdale, FL 33314

EDUCATION

2000. B.Sc. in Applied Science (Honors) (Parasitology). Universiti Sains Malaysia. Pulau Pinang, Malaysia.

2005. M.Sc. in Applied Entomology. Universiti Sains Malaysia. Pulau Pinang, Malaysia.

2005-2006. Ph.D. student in Urban Entomology. Auburn University. Auburn, AL.

PUBLICATIONS

1. Non-Refereed Publications:

(1) Bujang, N.S. 2000. Studies on the effectiveness of 12 commercial cockroach baits against susceptible and resistant strains of the German cockroach, *Blattella germanica* (Dictyoptera : Blattellidae). B. Sc. final year diss. Universiti Sains Malaysia. Pulau Pinang, Malaysia. 91 pp.

(2) Bujang, N.S. 2004. Comparative studies on biological parameters and control of three cockroach species with special reference to the smooth cockroach, *Symptloce pallens* (Stephens) (Dictyoptera: Blattellidae). M.Sc. thesis. University Universiti Sains Malaysia. Pulau Pinang, Malaysia. 177 pp.

RESEARCH PRESENTATION

1. Bujang, N.S. and C. Y. Lee. 2000. The Biology of Cockroaches. VCRU Workshop, Universiti Sains Malaysia. Pulau Pinang, Malaysia. May 2000.
2. Bujang, N.S. and C. Y. Lee. 2000. Comparative efficacy of selected insecticides and toxicant baits against smooth cockroach, *Symptloce pallens* and German cockroach, *Blattella germanica*. Abstract. Paper presented at the Third Regional IMT-GT UNINET Conference. Medan, Indonesia. 10 – 12 October 2000.

3. Bujang, N.S. and C.Y. Lee. 2001. Biological parameters of a new cockroach pest species, *Symploce pallens* (Stephens) (Dictyoptera: Blattellidae). p. 9. Paper presented at National Workshop on Ecological and Environmental Modelling (ECOMOD). 3 – 4 September 2001. Organized by Universiti Sains Malaysia. Pulau Pinang, Malaysia.
4. Bujang, N.S. and Su, N. –Y. 2007. Survival of the Formosan and eastern subterranean termites (Isoptera:Rhinotermitidae) and their gut microfauna from UV radiation. ESA Annual Meeting, San Diego, CA. December 9-12, 2007.
5. Bujang, N.S. and Su, N. –Y. 2008. Sublethal effects of UV radiation on two termite species (Isoptera: Rhinotermitidae) and their gut microfauna. ESA Annual Meeting, Reno, NV. November 16-19, 2008.

HONORS AND AWARDS

1. Public Service Department Malaysia Scholarship.
2. Best Student in Biological Science (1999/2000). University of Science, Malaysia. Penang, Malaysia.
3. Sustainability Initiative Internship, 2005-2006. Auburn University, Auburn, AL.
